ARTICLES OF AGREEMENT

THIS AGREEMENT entered into this _____ day of _____, 2006, by and between JEWEL FOOD STORES, INC., a corporation, hereinafter called the "Employer", and the UNITED FOOD AND COMMERCIAL WORKERS INTERNATIONAL UNION, LOCAL 881, a voluntary association, hereinafter referred to as the "Union".

ARTICLE I - RECOGNITION OF THE UNION

1.1 Recognition

The Employer recognizes the Union as the sole collective bargaining agency for all its employees employed in the retail food stores, family centers, or specialty stores operated by the Jewel Food Stores Division in and around northern Illinois and Indiana in the following counties:

In Indiana: Lake and Porter Counties;

In Illinois: Cook, DuPage, Will, DeKalb, McHenry and Lake Counties; those parts of Kane County lying east of Highway 47; and the City of Kankakee in Kankakee County.

Excluding, however, all store managers and other employees defined as supervisors by the National Labor Relations Act, security officers, meat department employees, independent contractors and craftsmen such as carpenters, millworkers, steamfitters, etc., performing work in the stores but paid from other than store payrolls.

ARTICLE II - GENERAL

2.1 Requirements for Certain Positions

Each store in the collective bargaining unit shall have:

- (A) Service Manager, who shall be responsible for the efficient operation of the following departments and operations:
- (1) The check-out department, including the training of checkers and parcelers, and the assignment and supervision of check-out-personnel;
 - (2) The receipt, handling and remittance of cash;
 - (3) Such other bookkeeping as may be required including making the necessary reports to the office; and
 - (4) Such other work as may be assigned to the Service Manager by the Employer.
- (B) Assistant Service Manager, whose principal duty shall be assisting the Service Manager with bookkeeping and reporting duties, but who shall also

assist in supervising all checking department operations, particularly when the Service Manager is absent or off duty.

- (C) An Assistant Manager, such Assistant Manager to have as his/her duties assisting the Store Manager in supervising the operation of the store, including being in charge of the store whenever the Manager is off, and particularly when the store is open for business at night.
- (D) A Farmstand Manager (Produce Manager), who shall be responsible for the preparation, display and sale of all fresh fruits and vegetables and such other duties as the Store Manager may assign to him/her.
- (E) Dairy/Frozen Food Manager, in each store where the gross sales volume exceeds two hundred and fifty thousand dollars (\$250,000) per week. The sales volume will be determined as of 2nd and 8th periods of the Company's audited sales reports. These individuals will be identified at the start of the 4th and 10th periods each year. The duties of the Dairy/Frozen Food Manager shall include but not be limited to: ordering, receiving, preparing, displaying, maintaining and selling all frozen/dairy food products. The Dairy/Frozen Food Manager shall also be responsible for the scheduling and work assignments of the people in those departments and such other duties as may be assigned to him/her. The Company has the exclusive right to select said manager.

An employee who has been designated as Dairy/Frozen Food Manager shall receive forty cents (\$0.40) per hour in addition to their applicable hourly rate of pay.

- (F) Store Supervisors, it was agreed that in stores where the average weekly sales volume exceeds \$165,000 per week, the Employer may appoint non-bargaining unit supervisory managers for front-end operations and perishable operations. In the event the Employer so elects to appoint such supervision, it is agreed that in the front end operations, two (2) assistant front-end managers would be designated.

In the perishable area it was agreed that one (1) head clerk, namely either head produce clerk or head perishable clerk, would be appointed and paid a premium of twenty-five cents (25¢) per hour over their applicable rate. The duties of the head perishable clerk could encompass all perishable operations, including produce, dependent on the needs of the particular store involved. As of 4/22/96, stores that currently are paying two (2) head clerks will,

through attrition, reduce to one (1) head clerk.

The utilization of non union supervisors already permitted will not reduce the hours of full-time employees.

The Employer shall have thirty (30) days from the date such requirements become effective in which to fill any positions required above, except that when a permanent vacancy in any required classification occurs because of transfer, promotion, separation from service, etc., such vacancy shall be filled within thirty (30) days. The requirements for a new or remodeled store shall be determined on the basis of the average weekly total sales for the last three (3) accounting periods of the first four (4) accounting periods of operation following the date of opening or remodeling.

2.2 Notices

All notices required under this Agreement shall be deemed to be properly served if delivered in writing personally or sent by certified or registered mail to the general offices of the Union at 10400 W. Higgins Road, Suite 500, Rosemont, Illinois 60018-3705, or to the Employer at 1955 West North Avenue, Melrose Park, Illinois 60160, or to an employee at his/her home or residence address, or to any subsequent address which the Union, the Employer, or the employee may designate in writing for such purpose. Date of service of a notice served by mail shall be the date on which such notice is post-marked by a post office of the United States Post Office Department.

2.3 Partial Invalidity

Nothing contained in this Agreement is intended to violate any State or Federal Law, Rule or Regulation made pursuant thereto. If any part of this Agreement is construed by a Court or Board of competent jurisdiction to be in such violation, then that part shall be null and void, but the remainder of this Agreement shall continue in full force. The parties will immediately begin negotiations to replace the void part with a valid provision.

2.4 Marginal Headings

The captions of the several Articles and Sections of this Agreement are for convenience only and in no way limit, enlarge, define, or otherwise affect the scope or intent of any provision thereof.

2.5 Effective Date

Unless the context indicates otherwise, all provisions of this Agreement become effective on the date of execution hereof.

2.6 Amendments

This Agreement is subject to amendment, alteration or addition only by a subsequent written agreement between, and executed by, the Employer and the Union. The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

2.7

Americans With Disabilities Act (ADA)

In the event the Employer intends to alter any terms or conditions of employment covered by the Collective Bargaining Agreement in order to meet its obligations under the Americans With Disabilities Act or the regulations promulgated there under, the Employer will notify the Union in advance of any such alterations, and agrees to discuss same with the Union prior to implementation if so requested.

If the Union cannot agree to the proposed alterations, the Union does not waive its rights to grieve the reasonableness of the Company's actions under the Agreement, or its rights, if any, under the National Labor Relations Act.

The designated night must be the night before or the night of the nationally observed holiday. - (E) Part-time employees specifically assigned or hired as night crew employees shall be paid at a rate of time and one-half (1-1/2) the regular straight-time hourly rate for all hours worked on the nationally observed holiday. However, part-time night crew employees can be scheduled on both the designated holiday and the nationally observed holiday.

3.2

Work Schedules

(A) No Split Shift - Variations

The Employer shall not schedule a "split" shift, i.e., any workday the continuity of which is broken by a period longer than a meal period, or a "spread" workweek, i.e., a standard workweek over six (6) days. Variations from the standard workday and workweek may be worked with the prior written consent of the individual employee and the Union, provided that no less than the minimum rates of pay provided herein are paid, and the agreement is in writing signed by employee, the Union and the Employer. Such agreements may be revoked at any time by any party thereto by giving seven (7) calendar days written notice to the other parties. No employee shall be scheduled without at least eight (8) hours rest between shifts, unless otherwise mutually agreed to by the Employer and the employee or in cases of emergency.

(B) Posted Work Schedules

The Employer shall post in ink or other permanent means, in each store the current work schedule for all employees working in the store. The schedule shall be posted by no later than Friday, 12:00 p.m. of the week preceding covering the following Monday through Sunday work days. The schedule shall list the names of the employees in accordance

with seniority and classification. Work schedules shall be maintained in the store for a three (3) month period of time and shall be made available to an authorized representative of the Union. Schedules must be accessible to employees. No employee who is called into work out of the posted schedule shall be required to take compensatory time off from the posted work schedule. Posted schedules may be changed when operating conditions or emergencies make changes necessary, provided that indiscriminate changes shall not be made and the employees affected shall be given reasonable notice. There shall be a company-wide form/book procedure for requesting time off.

(C) Night and Sunday Rotation

The Employer agrees to rotate night and Sunday work among its regular full-time employees, other than those specifically hired for such night or Sunday work, in each store open at night or on Sunday.

(D) Christmas Eve and New Year's Eve

No employee will be required to work after 6:00 p.m. on Christmas Eve and 9:00 p.m. on New Year's Eve. However, employees will be required to work until all customers leave the store and closing procedures are completed.

3.3 Meal and Rest Periods

(A) Rest Periods

Each employee shall be given one uninterrupted ten (10) minute rest period after three (3) hours of work, and a second rest period after seven (7) hours work with a maximum of two (2) rest periods per workday or shift. Breaks shall be taken as near as practicable in the middle of each half day. This provision is to be administered so as to assure each employee ten (10) minutes in the lunch room provided by the Employer.

However, where a "third person" or a Dairy/Frozen Food Manager works on Sunday, they shall be paid time and one-half (1-1/2) their regular hourly rate plus the appropriate premium. Premium hours paid at time and one-half (1-1/2) straight-time rate or in excess shall not be counted in computing daily or weekly overtime. Overtime hours paid on a daily or shift basis shall not be included in calculating overtime on a weekly basis. Payment for hours not worked such as holiday pay, vacation pay, jury pay, funeral pay or similar pay shall not be counted as hours worked in calculating weekly overtime.

3.6

Call-In Pay

Any full-time employee who reports to work upon request shall be guaranteed a minimum of four (4) hours work or four (4) hours pay in lieu thereof at his/her regular hourly straight-time rate. Part-time clerks called in to work and who report shall receive a minimum of four (4) hours work or the equivalent pay in lieu thereof provided they are available to perform the work. Part-time employees shall be called in for additional hours in accordance with seniority and type of work within the store they work.

The call-in guarantees are subject to the employees' availability to work the guaranteed hours, nor shall such guarantee be applicable due to disruption of normal store operations by conditions beyond the control of the Employer, such as Acts of God, civil commotion, fires, work stoppages due to strikes, or governmental intervention.

No employee shall have his/her scheduled hours reduced due to a call-in unless notice of schedule reduction is given at the time of the call-in.

3.7

Full-Time Employment Required When Practicable

It is the intent of the parties that two employees shall not be employed on a part-time basis when it is practicable to employ one employee on a full-time basis. Therefore, if two part-time employees in the same job classification are regularly working a combined total of forty (40) hours, or more, on a split week basis, then the Employer shall employ one person on a full-time basis. The selection of such employee shall be in accordance with Article VII, Section 7.5.

3.8

In the event an employee is required to work temporarily in a lesser paying job, he/she shall not suffer a reduction in pay while on such temporary assignment.

Scheduling of Part-Time Employees**A. Part-Time Regular Clerks, Part-Time Bakery Clerks, and Part-Time General Merchandise Clerks**

Part-time regular clerks, part-time Bakery clerks and part-time General Merchandise clerks will be scheduled for hours of work in accordance with seniority and the type of work they do within the store in which they work. More senior part-time employees will maintain a reasonable difference in the number of hours they are scheduled each week as compared to less senior part-time employees. To ensure an equitable spread of scheduled hours to acknowledge seniority within an employee's current classification, the following schedule will be followed:

<u>Completed Years of Service in Current Classification</u>	<u>Minimum Scheduled Hours</u>
0 - 4, inclusive	12
5 - 9, inclusive	15
10 - 14, inclusive	19

Any hours of work in addition to the above, whether occasionally, seasonally or permanently available, will be distributed to part-time employees by seniority in accordance with the type of work they do within the store.

The Employer expressly retains the right to determine the size and composition of the work force for the *continued efficient operation* of the store.

B. Service Clerks, Bulk Food Clerks and Salad Bar Clerks

- (1) Service Clerks, Bulk Food Clerks and Salad Bar Clerks will be scheduled a minimum of twelve (12) hours per week in the store in which they work. However, this shall not apply to an employee called in to replace another employee or to an employee whose available hours are beyond the Employer's control, or to an employee called in to work when fewer than twelve (12) available hours remain in the week.
- (2) Qualified Service Clerks, Bulk Food Clerks and Salad Bar Clerks shall be scheduled for available hours in accordance with seniority and type of work within the store they work. It is agreed that the Employer may employ such Service Clerks, Bulk Food Clerks and Salad Bar Clerks as may be required for the efficient operation of the store.

- C. Part-time employees shall be scheduled for a minimum of four (4) hours in any one (1) day, provided they are available for work.

3.10 Dress and Appearance Code

The Employer after consultation with the Union may adopt and implement a dress and appearance code for store personnel in the interest of presenting a clean and neat appearance on behalf of store personnel. The Union shall be furnished copies of the code adopted and shall be consulted prior to any major changes in said code.

3.11 Office Work

An office premium shall be paid to the designated office "third person" in the amount of forty cents (\$0.40) per hour for all work performed in the office. With the exception of Service Managers, Assistant Service Managers, and third persons, all work performed by an employee in the office shall be on a voluntary basis.

ARTICLE IV - WAGES**4.1 Wage Rates**

During the term of this Agreement, the Employer agrees to pay not less than the minimum wage rates set out in Appendix A attached hereto.

4.2 Manager Relief

Whenever an employee is assigned to and assumes the responsibility of the manager for a full calendar workweek, he/she shall be paid the minimum drawing account paid to managers or the employee's rate, [including time and one-half (1-1/2) for hours worked in excess of eight (8) hours per day or for hours in excess of forty (40) per week], whichever is greater.

4.3 Receiving Clerk

Any employee, whether full-time or part-time, who has been designated as Receiving Clerk, shall receive forty cents (\$0.40) per hour in addition to their applicable hourly rate of pay. It is further understood and the parties hereby stipulate and agree that this is not a mandatory position.

4.4 Scan Coordinators and Personnel Coordinators

The Employer may designate an employee to fill a store position entitled Scan Coordinator and/or a store position entitled Personnel Coordinator. The Union and the Employer reserve the right to mutually modify or amend the seniority areas where changes occur in operating conditions which may affect the balance the parties have tried to achieve and maintain.

Layoffs and Recalls after Layoffs - Full-Time Employees

Where the employee's qualifications, such as skill, efficiency, and in the cases of such semi-supervisory positions as department heads, the ability to organize, direct and supervise the work of others, are equal, seniority shall control the order of layoffs and recalls after layoffs of full-time employees.

In the event of layoff full-time employees shall have seniority preference over part-time employees and a laid off full-time employee may elect to bump a part-time employee within his/her seniority area. If a full-time employee claims bumping rights in lieu of layoff the Union and the Employer shall resolve the methods to be employed.

The Employer shall determine the relative qualifications of employees, but when the qualifications of employees for the particular job or jobs are equal, this seniority principle requires that:

- (A) The employee with the lowest seniority in the job classification in the store shall be the first laid off.
- (B) The employee being laid off may as an alternative bump that employee in the same job classification with the lowest seniority in the seniority area.
- (C) No new full-time employee shall be hired in a job classification until all laid off employees in that classification and seniority recall area who are qualified to fill the open job have been given an opportunity to return to work.
- (D) Qualified laid off employees shall be recalled in the order of their seniority in the recall area in which their store is located.

In the case of semi-supervisory department heads, namely, Assistant Managers, Produce Managers, and Service Managers the Employer may reclassify to full-time clerk status any surplus department heads not required by contract by reclassifying the most junior person in such classification based on continuous employment date. Such reclassified employee may bump the most junior full-time clerk in his/her seniority area if his/her seniority is greater. Other classified

positions may also be reduced in accordance with the foregoing process.

7.4 Layoffs and Recalls after Layoffs - Part-Time Employees

Where fitness and ability are equal, length of service of part-time personnel shall control the order of layoffs and recalls after layoffs on the following basis.

Within an area encompassing the six closest stores to the store where the layoff occurs within the North Area, Central Area or South Area.

When a store is permanently closed (not relocated) or when a store is destroyed by Acts of God, fire or other reason, part-time employees may exercise their seniority to transfer in their seniority area and displace the most junior part-time employee within such area. Employees exercising their seniority right shall retain their length of service date for vacations and other benefits.

Service Clerks will be treated as a separate classification for purposes of layoff. Accordingly, Service Clerks need not be laid off prior to the laying off of any other classification.

7.5 Selection of Employees for Full-Time Employment

The Employer will welcome applications for full-time employment from part-time employees with six (6) months or more continuous service. When a full-time clerk is needed, the Employer will endeavor to fill said position by selecting from all applicants, the applicant whose qualifications, ability and availability for work are the greatest; provided, however, that where qualifications are equal, preference shall be given to part-time applicants within the collective bargaining unit on the basis of their length of service. The determination of the relative qualifications of all applicants is expressly reserved to the Employer.

A part-time employee applying for a full-time position will be given an interview with a Human Resource Department representative provided the following criteria have been met.

- 1) The provisions in this section have been followed and;
- 2) The Store Director and employee have met and the Store Director has explained to the employee why he/she is not being recommended for a full-time position.
- 3) All Full-time available "Clerk" through "Department Head" jobs shall be posted in all stores within the seniority area and once the bidding process had ended, the Employer shall disclose who will be filling the posted job, by including that information in the job posting opportunities book.

Where an interview is requested the Store Director should contact the Human Resource Manager to arrange an interview.

7.6 Promotion of Service Clerks

Where qualifications are equal, seniority shall prevail with respect to the promotion of Service Clerks.

7.7 Promotion to Supervision

If an employee is promoted from a bargaining unit job to a supervisory position with the Employer, he/she shall continue to accumulate seniority while working in said position for a period of one (1) year. If during said year the employee proves unsatisfactory or deems it to be in his/her best interest, he/she shall be returned to the bargaining unit within the same seniority area at the same job classification and pay rate he/she held prior to his/her promotion, plus the seniority accumulated while working in the supervisory position.

7.8 Seniority of Employees on Leaves of Absence

The seniority rights of an employee who, either by voluntary action or draft, entered the Armed Forces of the United States shall continue as though he/she had not been absent, and he/she shall have the right to be reinstated to his/her employment as provided by law and regulations thereunder.

An employee who requests and is granted a personal leave of absence by the Employer shall have his/her seniority rights and provisions maintained for the duration of such leave of absence, provided the employee does not hold any other employment while on such personal leave of absence.

7.9 Seniority Preference

Local Union Officers and one (1) Union Steward in each store shall have seniority preference over all other employees for the purpose of layoffs and recalls after layoff excluding any right to claim higher classified jobs beyond the General Clerk.

9.1

No Strikes; No Lockouts

The Union and the Employer agree on the need for the continuance of their service to the public without interruption. Both recognize this objective as necessary to the security of the Employer and its people. Both, therefore, specifically pledge themselves to help assure that security by using the procedures agreed upon between them for the adjustment of disputes and grievances in all cases where there is any difference of opinion concerning the rights of either under this Contract or the interpretation or application of any provision of it. Therefore, during the term of this Agreement there shall be no strikes, stoppages, diminution or suspension of work of any kind whatsoever on the part of the Union or its membership; nor shall there be any lockout on the part of the Employer.

9.2

Grievances

(A) Grievance Defined

A grievance is hereby defined as any dispute involving the interpretation or application of the provisions of the Contract.

(B) Procedure

A grievance may be initiated by any individual employee, by the Union or by the Employer. Once initiated, the following steps shall be taken to settle such grievance:

Step 1:

By conference between the aggrieved employee, the store steward, or Union representative, and the Store Director or the Assistant Store Director.

Failure to resolve or respond to a Step 1 grievance within thirty (30) calendar days of it becoming a Step 1 grievance will automatically advance the grievance to Step 2. The grievance shall be reduced in writing by the Union. The grievance shall include the date of the conference between the Union representative and the Store Director.

Step 2:

By conference between a Union representative and the Associate Relations Manager or such other official as the Employer may designate to represent it in such conference. Failure to resolve or respond to a Step 2 grievance within thirty (30) calendar days of it becoming a Step 2 grievance will automatically advance the grievance to Step 3.

Step 3:

By conference between the President of the Union or his designate and the Labor Relations official of the Company. Failure to resolve or respond to a Step 3 grievance within thirty (30) days of it becoming a Step 3 grievance provides the parties with the right to advance the grievance to the arbitration level. Grievances involving only one (1) store shall be introduced only at Step 1, while grievances involving more than one (1) store may be introduced at any Step. All grievances shall be investigated and answered promptly.

(C)

Time Limits on Grievances

Any grievance involving a claim of improper discharge or other discipline must be presented within seven (7) days after discharge or disciplinary action. All other grievances excluding discharge or disciplinary action must be made within thirty (30) calendar days after the cause giving rise to the grievance becomes evident. Wage claims involving the proper application of wage rates shall not be valid and collectible for a period earlier than 180 calendar days prior to the date of filing the claims. Grievances involving improper scheduling must be filed within the workweek in which the violation occurs in order that the Company can correct such violations without incurring a back pay liability.

9.3

Arbitration

(A)

Either the Union or the Employer may, within thirty (30) calendar days after failure to adjust the grievance in accordance with the grievance procedure, serve upon the other party a written demand for arbitration stating the issue to be arbitrated. The parties hereby agree to use a permanent panel of seven (7) arbitrators who have been selected during the term of this agreement.

The arbitration panel shall constitute seven (7) arbi-

trators, selected by mutual agreement, as set forth below:

The arbitrators shall be listed alphabetically on the permanent panel. When a grievance is submitted to arbitration the Union will notify the next arbitrator on the list of his/her appointment, with a copy of the notice to the Company. The first grievance submitted to arbitration will be assigned to arbitrator #1; the second grievance submitted to arbitration will be assigned to arbitrator #2, and so forth, before returning to #1 after the seventh grievance. If for any reason, an arbitrator is unable or unwilling to hear a particular grievance, the next arbitrator on the list shall be assigned the grievance.

If for any reason an arbitrator is unwilling or unable to be or remain on the permanent panel, the parties will mutually agree to select a replacement arbitrator. Except as set forth above, no arbitrator shall be replaced by any party during the term of the Contract.

If an arbitrator is unable to hear the grievance for any reason, or is unable to offer the parties available dates within 60 days or as soon as practicable, from the date of their selection, the parties shall notify the next arbitrator on the list of their appointment to hear the grievance.

(B)

The arbitrator shall commence hearings as quickly as possible after his/her selection and shall render his/her award in writing together with his/her written findings and conclusions as quickly as reasonably possible after the hearing, in any event, within sixty (60) days of the close of the hearing. The award shall be final and binding upon the parties to this Agreement and upon the complaining employee or employees, if any.

The arbitrator shall have no power to determine arbitrability nor to add or subtract from, modify, or amend any provision of this Agreement, nor to substitute his/her discretion for the discretion of the Union or the Employer, change existing wage rates, or arbitrate proposals for the amendment or renewal of this Agreement.

The arbitrator's fees and expenses, the cost of any hearing room and the cost of a court reporter and of the original transcript shall be borne equally by the parties. All other cost and expenses shall be borne by the party incurring them.

(C)

For the purpose of entertaining a written request from either of the parties for rehearing to correct any material error of omission or commission,

ambiguity, or question of application allegedly evident in the opinion or award the arbitrator shall, for a period of seven (7) calendar days next following the date of his/her award, retain jurisdiction of the matter submitted to arbitration by the parties hereto, and until the expiration of the period of time stated in this provision for rehearing the award shall not be deemed to have been issued. If, however, no request for rehearing is duly filed within this seven (7) day period, this award shall be deemed to be issued effective as of its date. A written request for rehearing shall detail the specific grounds relied upon for alleging a material error, or ambiguity, and a copy thereof shall be mailed by certified mail to the other party or parties. If the written request is postmarked no later than the seventh (7th) day next following the date of this award, it shall extend the jurisdiction of the arbitrator for a period of seven (7) days next following the date of the written request. Within those seven (7) days the arbitrator, having re-examined the matter, shall in writing either reject the request for a rehearing or set a date for the requested rehearing. If the request for rehearing be denied, this award shall thereupon be deemed to be issued effective that date and the jurisdiction of the arbitrator shall accordingly cease. If the request for rehearing be granted, the jurisdiction of the arbitrator shall continue until issuance of a final amended award incorporating or rejecting the substances of the allegations contained in the request.

- (D) The participation by the parties in an arbitration proceeding under this Agreement shall not be deemed a waiver of or prejudicial to the right of either party to contest the arbitrability of the grievance or the jurisdiction and authority of the arbitrator in proceedings to set aside the award or in other appropriate proceedings in any State or Federal Court of competent jurisdiction; provided such judicial proceedings are instituted within thirty (30) days of the date of the arbitrator's award.

This contemplates major technological changes among others.

MEMORANDUM OF SUPPLEMENTAL AGREEMENTS **BETWEEN** **UNITED FOOD AND COMMERCIAL WORKERS INTERNATIONAL** **UNION LOCAL 881** **AND** **JEWEL FOOD STORES, INC.**

As a part of the recently concluded negotiations between the parties hereto certain understandings were agreed upon which shall remain in force during the term of the current contract which expires on January 24, 2010, as follows:

(1) AVAILABLE HOURS - PART-TIME EMPLOYEES

It was agreed that the Employer will permit qualified and available part-time employees to request permanently available additional hours if they make a written request for same to the Store Director at the time the additional hours become available and if they are in a position to take all of the available hours individually or two or more part-time employees may split the permanently available hours if they are both qualified and available to handle the hours on a permanent basis. Where the qualifications are equal, and two or more part-time employees are individually claiming the permanently available additional hours, the most senior part-time employee will be assigned the hours. It is further agreed that the right to claim permanently open part-time hours is subject to the Employer's maintaining an adequate staff for the continued efficient operation of the store. In the event of a dispute concerning claims for permanently available hours, the matter may be settled through the normal grievance procedure in Article IX of this Agreement.

(2) FULL-TIME EMPLOYEES - SHIFT PREFERENCE

It was agreed that full-time employees may use their seniority in a given store for the selection of shift schedules, provided

they have the ability to handle the work assignment for that shift. It was additionally understood that employees so selecting favorable shifts will do so on a permanent basis as opposed to weekly or seasonal preferences.

Regular full-time night crew employees shall be given a preference for full-time day openings if they are qualified to perform the day opening work without additional training.

Full-time employees experiencing hardships under present schedules may request a review of schedules where there appears to be a means of removing the hardship without shifting additional burdens on others. In the case of multiple requests by employees for schedule changes or shift preferences in a given location, the most senior employee request shall be the first honored.

RE: LETTER OF UNDERSTANDING - JEWEL FOOD
STORES AND UNITED FOOD AND COMMERCIAL
WORKERS, LOCAL 881

Dear Mr. Powell:

We have reached an understanding concerning the installation of self-check out lanes in Jewel Food Store locations. The parties recognize that the Employer has a legitimate business objective to utilize self-check out lanes and the Union has a legitimate interest to protect the employment of current employees. Therefore, the parties agree to the following:

- 1) Self-check out registers may be installed at any Jewel Food Store location as determined by Jewel.
- 2) Employees of Jewel Food Stores employed as of the signing of this letter will not be laid off as a direct result of this technology implementation.
- 3) If, in the event it becomes necessary to transfer employees to different departments within a store, Jewel will provide re-training necessary so the employee will be able to fulfill the requirements of the job.
- 4) In the event there are no openings within the store, the Employer will transfer employees to other locations either in their current position or in a different position.
- 5) In the event it becomes necessary to move employees into other departments or to re-locate employees to other stores as a result of self-check out lanes exceeding an average of 6 self-check out lanes on an overall store basis (that is 6 multiplied by the number of bargaining unit stores), the Employer will notify the Union of this development and meet with the Union, upon its request, to discuss issues related to the impact on employees as of the signing date of this letter.

If we have correctly set forth our understanding, please so indicate by executing and returning two (2) executed copies of this letter.

Very truly yours,
Thomas J. Walter
